

LIGHTS™  
Glazed Porcelain

 **Emser Tile®**

Dusk 21"x21"  
Dusk Floor Listello Corner/Dot 3"x3"

A glazed porcelain series, Lights™ illuminates any environment with a sophisticated rustic, yet classic aesthetic. The composition of the series is unique. Rather than emulating one type of stone, Lights™ draws from the characteristics of four different stones to achieve a wide range of shades and textures and to create a warm, stylish atmosphere.

Lights™ is available in four fashionable colors and two versatile sizes. The series is complemented by a decorative listello and listello corner to help create numerous design possibilities.

## COLOR SHADE VARIATION

Variations in color, shade, and texture are inherent in ceramic tile. Several pieces should be examined collectively prior to installation.

## APPLICATIONS

Appropriate for interior walls and floors and exterior wall and floors in freezing and non-freezing temperatures. Porcelain tile floors, like other types of smooth floors, can become slippery when wet. Take extra care when selecting a floor product that will be exposed to conditions such as liquids, grease, or oil. Always follow proper installation methods.
